The menu now includes a wider range of healthy and affordable meal choices. • Fresh sports material has been pressured for the Playgrounds and outdoor games • We have allotted a separate upgraded indoor games room with new equipment, including table tennis tale, chess set, dartboards, etc. • Since ours is a restricted vehicle entry, separate parking for student vehicles has been established near the gate. • The institute has set up semi semi-automatic digital library with provision of access to the internet through 10 computers installed in the Library.
