RAKHI MAKING COMPETITION USING WASTE MATERIAL

Conducted On	:	23-08-2018
No. of Students	:	32

KMS College of IT and Management, a renowned institution known for its innovative approach to education, hosted a remarkable Rakhi competition with a sustainable twist on 23rd August 2018. Students from various departments and backgrounds came together to showcase their creativity and eco-consciousness by crafting beautiful Rakhis from waste materials. With that, Dr. Shabnam Kaur appreciates the students and encourages them to save the environment by the maximum use of waste material that is present in their houses.

The competition not only celebrated the timeless bond between brothers and sisters but also emphasized the need for responsible environmental practices in today's world. KMS College of IT and Management is proud to have hosted such a meaningful and inspiring event, reinforcing its commitment to holistic education.

KMS College of IT and Management is a leading institution dedicated to providing quality education and fostering a culture of innovation and sustainability. With a diverse range of programs and a commitment to excellence, the college empowers students to excel in their academic and professional pursuits while making a positive impact on society and the environment.
