KMS College of IT and Management Dasuya

Conducted on	25-10-2019
No. of students	34

The Khelo India Movement is set to take the nation by storm, igniting the spirit of sportsmanship and competitiveness among students across the country. This dynamic initiative aims to promote the culture of sports and physical activity among the youth, fostering a healthier and more active generation

Khelo India is a nationwide movement, encompassing students from various age groups, schools, and colleges, ensuring equal participation opportunities for all. Diverse Sports: The initiative promotes a wide range of sports, including athletics, football, basketball, cricket, and many more, encouraging students to explore and excel in various disciplines.

Khelo India offers access to professional coaches and mentors who guide young athletes to reach their full potential, nurturing the future champions of India. Grassroots Development: By reaching out to schools and colleges across the nation, the Khelo India Movement identifies and nurtures raw talent from the grassroots level, preparing them for higher-level competitions.

"The Khelo India Movement is not just about sports; it's about nurturing the spirit of competition, fostering sportsmanship, and building a healthier future for our youth." - Choudhary Kumar Saini, Director of Khelo India.

"By providing access to world-class facilities and coaching, Khelo India is creating a pipeline of talent that will make India a sporting powerhouse in the years to come." - Navinder Singh, Renowned Sports Coach.
