KMS College of IT and Management, Bibi Amar Kaur ji Educational Society, Ch. Banta Singh Colony Dasuya, a premier institution known for academic excellence and holistic development, is delighted to announce the commencement of a series of exciting sports activities for our students. As we believe in nurturing not only the minds but also the bodies of our students, these sports activities play an integral role in their overall development.

Fitness and Wellness Programs: In addition to competitive sports, we also encourage our students to maintain a healthy lifestyle. We will be conducting fitness and wellness programs, including yoga sessions, to promote physical and mental well-being.

Sports Clubs: We have established sports clubs for various sports disciplines, such as chess, table tennis, and cricket. These clubs will provide students with an opportunity to learn and excel in their chosen sports. **Sports Day:** The pinnacle of our sports activities will be the annual Sports Day event, where students will compete in various track and field events. It will be a day filled with excitement and celebration of sportsmanship.

We invite all students, faculty, and staff to actively participate and support these sports activities. Let us come together to promote fitness, teamwork, and a spirit of healthy competition.
