#### Games Competition Promotes Unity and Community Spirit among Students

In an effort to foster a sense of unity and community among its student body KMS College organized a thrilling Games Competition, transcending traditional sports and introducing classic games such as skipping and kho-kho to its students.

The Games Competition, held in 2021, was a resounding success, with students from all grades participating enthusiastically. This unique event aimed to not only encourage physical activity but also promote teamwork, camaraderie, and a strong sense of belonging among students.

The competition featured a variety of classic and traditional games, including skipping, kho-kho, sack race, tug-of-war, and more. These games, often forgotten in today's fast-paced digital world, were brought back to life to remind students of the joy and inclusivity they can bring.

Dr. Shabnam Kaur, stated, "We believe in holistic education that goes beyond textbooks and classrooms. The Games Competition was organized to promote physical fitness, teamwork, and a sense of unity among our students. It's essential for them to understand the importance of working together and supporting each other, both on and off the field."
