

## Experiencing Creativity through Essay Writing Competition

Conducted On	:	13-12-2022
No. of Students	:	47

KMS college of IT and Management, Dr Shabnam Kaur in Collaboration with Mohan Ray's Healthy Handwriting conducted a training program for students to Improve Handwriting. The drive is aimed at promoting the importance of legible and healthy handwriting among students. An essay writing competition will be conducted as part of this collaborative initiative, encouraging participants to explore the significance of clear and well-formed handwriting in today's digital age.

The competition, seeks to engage students in thoughtful discussions on the subject of handwriting and its role in effective communication. Essays can cover a range of topics, including the historical evolution of handwriting, the impact of technology on writing skills, and personal experiences related to handwriting's relevance in various aspects of life.

Through this collaboration, Dr Manav Saini and Mr. Mohan Ray aim to raise awareness about the importance of maintaining good handwriting habits, even in an era dominated by digital communication. The competition encourages participants to reflect on the cognitive and artistic aspects of handwriting, emphasizing its unique role in expression and creativity.
